

Congress must continue to work toward policies that help make adoption a reality for our foster youth. We must work to ensure that all children, no matter their circumstances, have permanent, loving homes and consistent, caring adults in their lives. I am glad that the Senate preserved the adoption tax credit in the tax reform legislation, and I am hopeful that Congress will continue to work on policy that promotes adoption and improves the lives of those in foster care.

As National Adoption Month comes to an end tomorrow, I thank all of those who work to improve the lives of children. I thank advocates for children who tirelessly work to make adoption possible, and I thank adoptive parents and families for opening their hearts and homes.

BUDGETARY REVISIONS

Mr. ENZI. Mr. President, section 3003 of H. Con. Res. 71, the concurrent resolution on the budget for fiscal year 2018, allows the chairman of the Senate Budget Committee to revise the allocations, aggregates and levels in the budget resolution for legislation considered under the resolution's reconciliation instructions.

I find that S. Amdt. 1618 fulfills the conditions found in section 3003 of H. Con. Res. 71. Accordingly, I am revising the allocations to the Committee on Finance, the Committee on Energy and Natural Resources, and other enforceable budgetary levels to account for the budgetary effects of the amendment.

I ask unanimous consent that the accompanying tables, which provide details about the adjustment, be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

If the cover letter references a classified annex, then such annex is available to all Senators in the office of the Foreign Relations Committee, room SD-423.
